

SANDBOX

kids and family fun band

Sandbox is happy to announce our third and newest record, ***Snow Day***, a collection of winter holiday songs. Featuring eight holiday classics, like “Jingle Bells” and “O’ Christmas Tree,” as well as two new original Sandbox tunes, this album is sure to find a spot in your family’s holiday season this year!

Whether it’s the bluegrass romp of “Jingle Bells,” the swinging takes on “The Dreidel Song” and “Santa Claus is Coming to Town,” the sing-along “Rudolph,” or a driving version of “Drummer Boy,” *Snow Day* has something for everyone. We’re also proud of “Two More Days Til Christmas,” a Sandbox original that portrays a child’s view of the holidays in a household struggling during hard times. We hope that *Snow Day!* earns a warm place in your home this season.
